STATE OF NEW HAMPSHIRE

TOWN WARRANT

Cheshire, ss.

To the inhabitants of the Town of Walpole qualified to vote in Town affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the 11th day of March, next, 1947, at nine o'clock in the forenoon to act on the following subjects:

Article 1. To choose a Town Clerk, one Selectman, for three years, Auditors, Town Treasurer, Road Agent, Collectors of Taxes, Trustees of Public Funds, Surveyors of Wood and Lumber, Fence Viewers, and all other necessary officers.

Art. 2. To raise money for the town poor, for town library, for cemeteries, to build and repair highways and bridges, and for such other current expenses as may accrue.

Art. 3. To see if the Town will vote to authorize its Selectmen to borrow money on notes of the Town for current expenses, in anticipation of taxes.

Art. 4. To see if the town will vote to allow a discount on taxes.

Art. 5. To see if the Town will vote to raise and appropriate \$992.70 for Class V roads, the State to contribute \$3,970.78.

Art. 6. To see if the Town will vote to raise and appropriate \$387.00 for the Monadnock Region Association.

Art. 7 To see if the Town will vote to raise and appropriate \$400.00 for eradicating White Pine Blister Rust.

Art. 8. To see if the Town will authorize its Selectmen to administer and dispose of and deed any real estate acquired by the Town by tax collectors' deeds.

Art. 9. To see if the Town will vote to accept such funds as have been left to it during the past year.

Art. 10. To see what sum of money the Town will vote to raise and appropriate to renew the supply of dishes in the Town Hall.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to straighten the road at the foot of the so-called Watkins Hill on the Hill road leading from Walpole to Christian Hollow.

Art. 12. To see if the Town will vote to raise the sum of \$3,500.00 for the construction of a swimming pool at Cold River.

Art. 13. To see if the Town will vote to purchase new road equipment and raise money therefor.

Art. 14. To see what sum the Town will vote to raise and appropriate for the establishing of a surplus fund for building a school house.

Art. 15. To see if the Town will vote to have a municipal audit.

Art. 16. To see if the Town will vote to discontinue the road leading from Maple Grove Road to the top of March Hill and also the road from the junction north from the Kidder place to the junction south of the Rober place and from Watkins Hill Road to Warren Houghton place.

Art. 17. To see if the Town will authorize the selectmen to secure the services of the State Tax Commission in reappraising the taxable property of the town in order to secure greater equality as between taxpayers, and to insure the assessment of all property in the town on the same

standard of value, and to raise and appropriate money to pay for the same.

Art. 18. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal accounting and to make an appropriation to cover the expenses of such audit.

Art. 19. To transact any other business that may legally come before said meeting.

Given under our hands this twenty-second day of February, 1947.

JOHN E. AYLWARD,
JOHN W. PRENTISS,
LAWRENCE W. GRAVES,
Selectmen Town of Walpole.

After completing sixteen years of service as Road Agent to the town of Walpole I wish to extend my thanks and appreciation to the town officers and people of the Town of Walpole for their cooperation and help during my term of office.

EDWARD F. REARDON.

We, the undersigned, auditors for the Town of Walpole have examined the report of the road agent and find it to be correct.

AUSTIN I. HUBBARD,
HAROLD O. PIERCE,
Auditors.

I, the undersigned auditor for the Town of Walpole, have examined the report of the library treasurer and find it to be correct.

HAROLD O. PIERCE,

Auditor.

REPORT OF COMMITTEE ON TOWN LIBRARY

The committee is pleased to report an increase in the number of library cards in use. We, now, have 273 adult cards and nearly as many junior ones, 241. We wish to call your attention to our subscription to the Readers' Index which those seeking special information from magazine publications will find most helpful.

In September the committee invited the State Librarian, Miss Catherine Pratt, to come to Walpole for a conference and she has promised to send us an extension worker to advise and assist us to improve our cataloguing system and generally to make the library more efficient.

Because of a shortage of funds we have been able to buy only 193 books for both libraries during the past year and circulation has therefore decreased slightly though the librarian has borrowed from the State Library 160 books.

The increased maintenance cost, the rise in salaries and the cost of books makes an increase in the budget essential. The committee urgently requests the support of the townspeople for added funds that we may maintain the present high standard of service to the community and that we may improve the appearance of the library.

Respectfully submitted,

MARGARET P. PORTER,

Chairman.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Walpole qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day of March 1947, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose two members of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote a deficiency appropriation of \$4,500 for increasing teachers' salaries during the current school year and instruct its clerk to issue a certificate therefore to the selectmen of the town.

10. To see what sum of money the district will vote to raise and appropriate for minor repairs and for new equipment.

11. To see if the district will authorize its School Board to enter into a contract with the School District of Rockingham for payment of high school tuitions.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Walpole, N. H., this day of February, 1947.

AUSTIN HUBBARD,
GEORGE ROLAND,
E. E. RHODES, Jr.,
HELEN GALLOWAY,
JAMES L. BAKER,
JOHN S. ALYWARD,

School Board.

F. A. RAMSAY,
H. O. WOODWARD,
Auditors.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Walpole:

I herewith submit my second annual report as Superintendent of Schools:

Considerable concern is being shown throughout the nation over the shortage of capable teachers for our

schools. Practically every magazine and daily paper has articles and editorials on this subject, stressing the major causes and outlining methods to alleviate the condition. If the public had been willing to recognize this problem a generation ago we might have sufficient teachers to fill all our classrooms.

The teacher-situation in New Hampshire is worse than last year, and the outlook for the future is no better. Only a few prospective teachers are enrolled at the Teachers' Colleges despite large numbers in attendance.

The State Board of Education is sponsoring a new State Aid plan which should, if passed by the legislature, do much to relieve the towns of excessive property taxation for school purposes. The plan has been presented to our public press and should be familiar to every citizen.

Three teachers resigned at the close of school: Mr. Harmon, to teach in Maine; Miss McCushing, to teach in Pembroke Academy; and Miss Farnum to teach in Rye.

We were fortunate to be able to attract two capable young men to fill out high school vacancies. Mr. William Lord of Farmington, a graduate of the University, comes to us from the U. S. Army, after some teaching experience in Germany and Winchester, and has taken over the agriculture department. Mr. Robert Desmarais, another Army man, is a graduate of K. T. C., and is doing an excellent job with the social studies, and boys' physical training and athletics.

Mrs. Starkey was transferred from No. 14 School to the Village. Mrs. Maud Mahoney of Bellows Falls, was engaged for No. 14. She is a superior rural teacher who has had much experience in Vermont schools.

Miss Tole, the North Walpole first grade teacher, was granted a year's leave of absence during the summer. Miss Mulcahy was transferred to the first grade, and a temporary appointment was made for the junior high school. Mr. Leroy Hughes taught the first term, and resigned because of poor health. Mrs. Electa Stocker is completing the year. She is a graduate of K. T. C. and has several years of experience.

The building committee has been active during the year, has selected architects, visited several possible sites, and held a number of meetings to discuss its plans. Building conditions are still much unsettled, but it is planned to have a feasible working plan ready for presentation whenever conditions warrant.

SUMMARY OF ENROLLMENT

January 7, 1947

Walpole High School,	68
Walpole Junior High,	34
Walpole Elementary (Grades 1-6),	92
North Walpole Elementary (Grades 1-6),	98
North Walpole Elementary (Grades 7-8),	29
North Walpole Sub-Primary,	20
Number 14 school,	25
Drewsville school,	11
	<hr/>
Total,	377

Fifty-four pupils from North Walpole are attending high school at Bellows Falls.

HEALTH

Health inspection showed the following defects:

380 pupils were inspected.

37 pupils were underweight.

12 pupils showed defective vision—uncorrected.

229 pupils were in need of dental care.

8 pupils were unvaccinated—without proper excuse.

34 pupils were advised to have throat and nose examination by a physician.

All third grade and new pupils were given audiometer tests.

Dental clinics were held March 13 to 29, 1946. Work done as follows:

Number of pupils treated,	106
Number having teeth cleaned,	84

Number having silver fillings,	126
Number having porcelain fillings,	15
Number having extractions,	43

98 pupils had their teeth cared for by their own dentist.

21 pupils had special eye examination and defects corrected.

14 pupils had tonsil and adenoid operations.

On April 26, 1946, a tuberculosis patch test clinic was held; 100 pupils were given the test; 31 pupils were X-rayed. On April 12, 1946 and May 21, 1946, toxoid clinics were held; 237 pupils were innoculated.

BUILDINGS AND EQUIPMENT

The following repairs and improvements were made at the schools during the year:

North Walpole Schools:

The hall of the Elisha Keep building was redone during the summer. New sinks were installed in the two basements.

The electric wiring was renovated in the John Kilburn building, a new fire-alarm system installed. The big bell was removed from the tower and an electric gong put up to replace it. The boys' toilet was painted and a new sink put in. Considerable repair work has also been done on the radiators.

The baseball backstop was rebuilt with a wooden lower half which is a considerable improvement.

Drewsville School has had new lighting fixtures installed.

There is considerable repair work and repainting to be done in all the schools. Labor conditions and lack of material have made it difficult to get anything done. It is necessary to keep all the property in a reasonably good condition. The interiors should be kept painted and repaired so as to provide as good working conditions as possible for the pupils.

I wish to express appreciation for the support and cooperation which I have received during the year from members of the School Board, headmasters, teachers, parents, and pupils.

Respectfully submitted,
THERON B. THOMPSON,
 Superintendent of Schools.

REPORT OF HEADMASTER WALPOLE HIGH SCHOOL

Mr. Theron Thompson, Superintendent of Schools, Walpole, N. H.:

Dear Sir:

I herewith submit my second annual report as Headmaster of Walpole High School.

REGISTRATION

Summary of the first nineteen weeks of the school year, 1946-1947.

	Senior High	Junior High
Number of pupils	71	35
Boys	38	20
Girls	33	15
Number transferred or withdrawn	4	2
Present enrollment	67	33
Number of pupils not absent or tardy	12	9
Number of cases of tardiness	16	5
Number of visits by citizens and others	18	18
Non-resident enrollment	11	2

The present enrollment remains about the same as it was last year. One withdrawal was due to enlistment in the armed services, one to change of residence while the other two withdrew for other reasons. With possibly one exception no pupil dropped out for lack of interest in his school work.

Our attendance on the whole is satisfactory. Compared with last year we have had relatively little sickness in the high school and junior high. If we are as fortunate during the rest of the school year our percent of attendance should compare favorably with other schools in the state. With very few exceptions tardinesses have been due to transportation difficulties.

Our non-resident enrollment remains about the same. Those pupils who come from other towns make a welcome addition to our school. It adds greatly to their credit when one realizes the distances that some have to come to get an education.

GRADUATES

Of our 1946 graduating class three have entered the University of New Hampshire and one entered Northampton Business College. Of the members of this year's class which will be graduated in June a much larger number plan to continue their education.

EXTRA CURRICULA ACTIVITIES

A very high percentage of our boys and girls participate in one form of physical education or another. We are indeed fortunate this year to have on our faculty a teacher who can devote more time to the physical development of the boys. About one-half of the boys enrolled in the high school are on the basketball squad. Interest in this sport is high. Since gasoline restrictions have been removed we have broadened our interscholastic program in this sport. During the fall we had an extensive program of touch football in which most of the boys participated.

We are also fortunate to have a teacher who can devote much of her time to girls' sports. As in the past the girls participate in an intermural program. Last fall they attended a Field Day held at Vilas where a large number of girls from several schools took part in a physical sports program. We are planning to hold a similar meeting at Walpole next spring.

Through the kindness and effort of Dr. Tatem all pupils who play basketball have had a physical examination.

I would like to show my appreciation for the effort of certain townspeople and schoolboard in providing proper facilities for playing basketball in the town hall. With the assistance of the boys in school new backboards have been installed. These add greatly to the interest and proper playing of the game.

Several school parties have been held at the Hooper Building which have been enjoyed and attended by most of the pupils in school.

I would like to add that all of our extra curricular activities are in charge of the teachers of the high school. The people of Walpole are indeed fortunate to have public servants who spend so much of their time and untiring effort in providing so necessary a part of a pupil's education.

Three one act plays have already been presented at the town hall before a large and appreciative audience. Nearly forty pupils took some part in these presentations.

The combined musical groups of both Vilas and Walpole gave a Christmas concert this year. We are planning to have the grades give an operetta in the spring.

The School Safety Patrol carried on its work this year in its usual efficient manner. Much credit should be given its members who in all kinds of weather see that pupils get safely across street intersections. If they have prevented only one accident their work more than justifies itself.

Assemblies are held on Thursdays. These are usually in charge of some class or group.

Two issues of the Warbler will be printed this year. This worthwhile activity is in charge of the Warbler Staff.

Among our school clubs none are more active than the future Farmers and Future Homemakers. The Future Farmers received the honor of having its president elected

president of the State Organization. Last October four boys attended the National Meeting of the Future Farmers which was held in Kansas City. The Homemakers are also engaged in an ambitious program of meetings and other activities.

The School Fair which was held in October was highly successful. A large crowd enjoyed the many fine exhibits. In the evening the Fair was concluded by a square dance which proved very popular.

SCHOLARSHIP

Every endeavor is made on the part of the teachers to encourage every pupil to develop himself to the greatest extent possible. Any pupil who does as well as he is capable of doing is an honor student. We realize that not all pupils should go to college but we intend to see that those who are planning to go get the most help possible.

Two of our seniors are eligible to take the National Pepsi-Cola examination. Regardless of the outcome we believe the emphasis is in the right direction.

The results of the English Tests given Grades 7-12 compare favorably with national norms.

The teaching staff is very appreciative of the co-operation received from everyone in our common endeavor to make Walpole High School a worthwhile school.

Sincerely yours,
EDWIN BETZ,

Headmaster.

REPORT OF PRINCIPAL NORTH WALPOLE SCHOOLS

Mr. Theron B. Thompson, Superintendent of Schools,
Walpole, N. H.

Dear Sir:

I submit herewith my report as principal of the North Walpole Schools.

REGISTRATION

Grade	Boys	Girls	Total
Kindergarten,	13	7	20
I,	9	10	19
II,	10	6	16
III,	8	5	13
IV,	11	6	17
V,	7	10	17
VI,	8	8	16
VII,	4	6	10
VIII,	12	7	19
Totals,	82	65	147

Out attendance record is very commendable. Most pupils are very regular in their attendance and the majority of absences have been due to sickness. The tardiness record continues to show an improvement over other years. This can be interpreted as a sign that the parents as well as the pupils are interested in their schools.

SCHOLARSHIP

A series of tests, as in other years, were given in grades 3 to 8, covering the basic skills necessary in order to succeed. The results besides affording a comparison with standard grade ratings as listed in the tests, furnished the teachers with special information as to what units of work needed to be reviewed and stressed.

The unit plan of teaching is being continued in the upper grades. This method of teaching provides for the wide differences in the abilities and interests of our pupils.

As a means of improving their speech and to use the English language correctly the pupils of most of our grades are given an opportunity to express themselves in our weekly rhetorical programs under the direction of the English teacher. Talks on subject work, current events, singing, and any other special talent that a pupil may have, are presented on the program.

ORGANIZATION

The seventh and eighth grades produced a fine year book, under the direction of Miss Mulcahy. Criticisms from other schools on the book were very favorable. Plans are under way to produce a bigger and better book this year.

School socials are conducted on special occasions in order to give our pupils training in social conduct and to organize and present such affairs.

The school has made several public appearances during the past year. The Primary grades presented the operetta, "Patty Sue's Birthday Party," which was highly received by the people in attendance. Again the Kindergarten's Toy Orchestra was greatly enjoyed. The seventh and eighth grades presented two one act plays, "Call Hector," and "Buddy Goes Literary." The pupils gave a very creditable performance in both plays which were coached by Mr. Hughes. The Glee club and the Dramatic club appeared on the assembly programs of the George Street School and of Bellows Falls High School. In both places their presentations were well received.

The School Patrol was again organized this year with the pupils of the upper grades undertaking the work involved. Up to date it has operated as efficiently as in other years.

The School Exhibit made up of work done in school subjects and of work accomplished in the "Hobby" period was held in May. There will be another exhibit along the same lines this year the latter part of May. I hope that more of the townspeople will avail themselves of the opportunity to visit the school and acquaint themselves with the type of work the school is doing.

The Boys' Basketball team of last year is to be congratulated, for not only a fine record of nineteen victories and no defeats, but also for winning the Junior High Tournament. In recognition of their fine work, the boys were given a trip to Boston where they enjoyed a sight seeing trip and witnessed the final game of the New England

Scholastic Tournament. The Baseball Team also had a good season, winning 8 games and losing 2. It is hoped that the near future will provide facilities where the physical development of all pupils may be possible.

The school has contributed to the following worthy causes: Junior Red Cross, New Hampshire Tubercular Fund, and The March of Dimes. One hundred per cent participation was reached in practically all of the grades in these various drives.

Teachers' meetings are held on the average of once a month. The "Criteria for Selecting Units of Work in the Elementary School," and "Reading Readiness" are some of the topics that have been discussed.

The teaching staff wish to express their appreciation of the co-operation they have received from the superintendent, members of the School Board, parents, and pupils.

Respectfully submitted,
JOSEPH Z. DUBE,
Principal.

VITAL STATISTICS

At the request of the Selectmen, there is submitted herewith a transcript of the births, marriages and deaths as recorded in the Office of the Town Clerk for the year ending December 31, 1946.

MARGARET MacG. SPARHAWK,
Town Clerk.

HELP YOUR FOREST FIRE WARDEN PREVENT FIRES—IT PAYS!

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who heads a local organization set up primarily for the security of your community's forest property. The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

Remember these rules:

1. Use ordinary common sense with fire in and near woodland.
2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.
3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.
4. Cooperate with and assist the warden and urge others to do so.
5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES—**his efforts are only as effective as is the cooperation you give him!

F. J. BAKER,
District Fire Chief.

1946 FIRE RECORD IN WALPOLE

Number of fires 11
Acreage burned 30 acres
Number fire permits issued 35
